## **Blacksands Pacific Group to Re-organize its International Subsidiaries**

*Dynamic Oil & Gas Group Restructures Ahead of Significant International Expansion*

Los Angeles, August 12, 2014 - The Blacksands Pacific Group, Inc. including affiliates and subsidiaries ("Blacksands Pacific" or the "Company") has completed the reorganization of its international subsidiary business and operations. The international subsidiary parent corporation - Blacksands Pacific International Limited - will relocate from Hong Kong to Bermuda. However, its International energy trading subsidiary (Blacksands Pacific Energy Services Limited), its International oilfield services subsidiary (Blacksands Pacific E & P Services Limited), and its regional parent corporations (Blacksands Pacific Ghana Limited, Blacksands Pacific Equatorial Guinea Limited and Blacksands Pacific Cote D' Ivoire Limited) will remain in Hong Kong. The international subsidiary business and operations focuses on Blacksands Pacific interests, assets and operations outside of United States and Canada.

### **Notes to Editors**

#### **About Blacksands Pacific**

Blacksands Pacific is an international oil and gas exploration and production company - one of the fastest growing and most dynamic in the United States based on its global reach. Its subsidiaries include Blacksands Pacific Energy Trade & Supply, LLC and Blacksands Pacific Energy Services Limited. We are committed to becoming a major crude oil and petroleum products trader and supplier in North America and globally, with employees and contractors worldwide. THE BLACKSANDS PACIFIC GROUP, INC is a Delaware, United States Corporation. Our geographic core regions are United States, Canada, Africa, and South East Asia.
